## Announcement of Remote Hand Service

During the Government announced Home Stay Period, visitor access to M&A Data Center will be temporarily suspended from 29 January 2021 to 11 February 2021.

For the time being, M&A Data Center will provide Free Remote Hand Services beyond the usage of existing value-added services, Remote Hand Service (5) times per month. Our NOC engineers will support the best services based on the operational requirements of our valued customers.

This announcement is valid within the above stated period, M&A Telecoms will review the offer and site access restriction in due course and update the customers.
